For the land between Periwinkle Drive and Bayside Avenue in Aldinga Beach described as Allotment 800 in Deposited Plan 69046 (Reserve) comprised in Certificate of Title Volume 5953 Folio 552.

3. Executive summary

We have received a request from a local resident to name two unnamed parks in Aldinga Beach located on Greenlees Parade and Periwinkle Drive (refer to attachment 1 for an aerial map).

In the [Open Space Strategic Management Plan](#) these parks are classified as local family. These types of parks are the most common with over 140 spread across the council area. They usually consist of minimal play equipment and are generally designed for shorter visits.

In accordance with our [Place Naming Policy](#) (the Policy) and [Place Naming Procedure](#) (the Procedure):

- we sought input from the local community and/or communities of interest on known and potential names for the public place
- a traditional Aboriginal name was considered for this location.

We received a total of 28 place name suggestions from the community for 25 unique names. Most of the names were deemed appropriate in line with the Policy, with some names not recommended to proceed to the next stage of community engagement.

Fifteen name suggestions were deemed suitable to proceed to the next stage of community engagement. This included Kurna name suggestions 'Kurraka' and 'Nina Marni' that – in line with the Policy were checked with Kurna Warra Karrpanthi Aboriginal Corporation (KWK) to ensure the names were appropriate for this location.

A reply was received from KWK determining that the names 'Kurraka' and 'Nina Marni' were not suitable. KWK provided alternative Kurna names '[Kadli Wirra](#)' meaning 'dingo park' and '[Many Pilyapilya](#)' meaning 'rain moth'. These names were taken from two of the other community suggestions.

The second stage of community engagement was undertaken where community members voted on their preferred name(s). This report provides the outcomes of community engagement and seeks a decision on formal names for the parks.

Once the First Nations People Advisory Group is fully operational we will seek the group's advice to inform any updates needed to our Place Naming Policy and Procedure.

5. Discussion

In accordance with the Policy (Section 2) and the Procedure (Section 4.1) it is appropriate for Council to name public places (including parks, reserves and buildings) that were previously unnamed, and this process is to be initiated on receipt of a place naming application.

Based on the definitions in the Procedure (Section 3) these public places meets the definition of a park, so this was incorporated into the name options.

In accordance with the Policy:

- we sought input from the local community and/or communities of interest on known and potential names for the public place
- we wrote to KWK to seek Aboriginal name options.

Stage 1 of the community engagement was undertaken from 11 May–7 June 2021 seeking name suggestions. Twenty eight place name suggestions were received suggesting 25 unique names.

The name suggestions were assessed against the Policy and Procedure and presented to Council for shortlisting. Council resolved on 17 August 2021:

1. *Undertaking community engagement on 15 public place names proposed by community members:*
 - a) *Kurraka – an Aboriginal name taken from the Kurna language, or an alternative Kurna name as recommended by Kurna Warra Karrpanthi Aboriginal Corporation*
 - b) *Nina Marni – an Aboriginal name taken from the Kurna language, or an alternative Kurna name as recommended by Kurna Warra Karrpanthi Aboriginal Corporation*
 - c) *Crozer Family Park*
 - d) *Dingo Park*
 - e) *Eastern Froglet Park*
 - f) *Jeff Wrigley Park*
 - g) *Jim Jaggard Park*
 - h) *John Ackers Park*
 - i) *Kangaroo Park*
 - j) *Leaping Lizard Park*
 - k) *Louis Rupert Mumford Park*
 - l) *Opal Park*
 - m) *Periwinkle Shells Park*
 - n) *Rain Moth Park*
 - o) *William Glen Crisp Park*

for the open spaces in Aldinga Beach located between Greenlees Parade and Cuttle Street, and Periwinkle Drive and Bayside Avenue in accordance with our Place Naming Policy.

2. *That a report be presented to Council on the place naming community engagement outcomes for a Council decision.*

We wrote to KWK seeking verification of the names 'Kurraka' and 'Nina Marni', suggested by community members.

A reply was received from KWK on 12 July 2021 providing alternative Kurna names '[Kadli Wirra](#)' meaning 'dingo park' and '[Manya Pilyapilya](#)' meaning 'rain moth' which were taken from other community suggestions. Both names were included in the 15 names for community voting.

Stage 2 of the community engagement was conducted from 20 August to 20 September 2021. In summary, there were 192 visits to the page on [Your Say Onkaparinga](#), with the following results:

- 159 aware participants (viewed at least one page)
- 119 informed participants (downloaded a document/visited multiple pages/voted/provided feedback)
- 64 engaged participants (voted/provided feedback).

Of the 64 people that provided feedback via Your Say Onkaparinga, 127 place name nominations were received for the park (participants were able to nominate more than one preferred name). We also received a letter from a resident voting for one of the names. Of these 65 responses:

Greenlees Parade (66 names selected)

- 30 indicated a preference for John Ackers Park (45%)
- 14 indicated a preference for Kadli Wirra (21%)
- 9 indicated a preference for Jeff Wrigley Park (14%)
- 6 indicated a preference for Cross Family Park (9%)
- 4 indicated a preference for Louis Mumford Park (6%)
- 2 indicated a preference for Kangaroo Park (3%)
- 1 indicated a preference for Dingo Park (2%)

Periwinkle Drive (62 names selected)

- 26 indicated a preference for Jim Jaggard Park (42%)
- 19 indicated a preference for Manya Pilyapilya (31%)
- 12 indicated a preference for William Crisp Park (19%)
- 3 indicated a preference for Eastern Froglet Park (5%)
- 1 indicated a preference for Periwinkle Shells Park (2%)
- 1 indicated a preference for Rain Moth Park (2%)

The Procedure (section 4.2) indicates that '*Preference should be given to Aboriginal names in areas where an Aboriginal name is deemed appropriate. In other locations preference should be given to historical names (such as early explorers, pioneers, and settlers, eminent persons, war/casualty lists), or names that match an identified theme for the area. The most appropriate name source(s) for each location will be identified by the Key Internal Stakeholder Group.*'

The Key Internal Stakeholder Group (which includes staff responsible for open space assets, property, social planning, community engagement and spatial information) believes that the most appropriate names for these locations would be John Ackers Park and Jim Jaggard Park based on

the contribution of these individuals to the local community and the community engagement outcomes (receiving 45 and 42 per cent of votes respectively). The Key Internal Stakeholder Group suggested that the Aboriginal names Kadli Wirra and Manya Pilyapilya as provided by KWK (per the Procedure) could also be incorporated into dual names given the Procedure and the popularity of the Kurna name options with the community (receiving 21 and 31 per cent of votes respectively).

Based on community feedback the names 'John Ackers Park' and 'Jim Jaggard Park' are recommended for these parks. However the Aboriginal names were also a popular option with the community and this supports the Procedure, so Council may prefer to assign the dual names 'Kadli Wirra/John Ackers Park' and 'Manya Pilyapilya/Jim Jaggard Park'.

Details of both stages of community engagement are provided in the community engagement feedback report (attachment 2).

The family of the late John Ackers was contacted and gave consent for the name John Ackers Park' to be used. Jim Jaggard was contacted and gave consent for the name Jim Jaggard Park to be used.

Following feedback from a recent Council report to formally name Niipu-niipu Wama/Morton Park staff will contact emergency services regarding the naming of public places.

6. Financial implications

There are no financial implications as a result of this report.

All place naming costs including community engagement, place name signs and the public notice in the Government Gazette are included in existing budgets.

7. Risk and opportunity management

Risk	
Identify	Mitigation
Reputation/community expectation Our communities and the key stakeholders may not support the Kurna names	We have undertaken community engagement to seek feedback on 15 place name options. The names John Ackers Park and Jim Jaggard Park were our communities' most popular options. In line with the Procedure the Kurna names were provided by KWK who are responsible for Kurna language matters. KWK assigned the names 'Kadli Wirra' and 'Manya Pilyapilya'. Assigning an Aboriginal name is in line with both the Policy (Section 6.2) and Procedure (Sections 4.2, 4.7 and 4.8). If Kurna names are chosen by Council the meaning of the names as advised by KWK will be included on the name signs that will be installed in the park.

8. Next steps

We will

- contact Jim Jaggard and the family of John Ackers to let them know the outcome
- update the Your Say Onkaparinga page with the outcome
- contact everyone that participated in the place naming process to let them know the outcome
- contact emergency services, utilities etc to notify them of the new park names (and take the opportunity to discuss council's place naming process with emergency services)
- publish a public notice in the Government Gazette
- manufacture and install name signs in the parks.

COMMUNITY ENGAGEMENT FEEDBACK REPORT

PLACE NAMING PROPOSAL FOR TWO PARKS IN ALDINGA BEACH

INTRODUCTION

In April 2021 we received an email from a resident (via Cr Peat) asking to formally name two parks in Aldinga Beach. In accordance with the [Place Naming Policy](#) and the [Procedure](#):

- we sought input from the local community and/or communities of interest on known and potential names for the public places (May-June 2021)
- traditional Aboriginal names were considered for this location
- name suggestions were collated and presented Strategic Directions Committee for shortlisting
- we wrote to Kurna Warra Karrpanthi Aboriginal Corporation (KWK) to obtain an appropriate Aboriginal name option
- we invited our communities to vote on the shortlisted name options (August-September 2021).

ENGAGEMENT PURPOSE

The purpose of the engagement was to provide a genuine opportunity for the community to have their say about a formal name for the unnamed parks including:

- suggesting potential names
- voting on the shortlisted names.

ENGAGEMENT OBJECTIVES

The local community and key stakeholders:

- are made aware of the proposal to formally name the parks
- know how they can get involved in the process
- are kept informed of any decisions regarding these matters.

and Council:

- meets its legislative obligations regarding place naming (pursuant to section 219 of *the Local Government Act 1999*).

ENGAGEMENT TECHNIQUES

The below table outlines all techniques used to promote the engagement and seek the active participation of the community.

Community engagement stage 1

In line with The Procedure we sought input on any known or potential names for the public place via:

Technique	Stakeholders
Letters	To 728 local residents and businesses located within close proximity to the park. The letter included an aerial map of the parks, the criteria for naming a public place, a feedback form and a reply-paid envelope
Emails	All stakeholders listed in the Community Group Register located in or with an interest in Aldinga Beach Update to the applicant
Weekly news	Notification to all elected members
Your Say Newsletter	All registered users of the Your Say platform living in Aldinga Beach
On-site signage	Corflute signs were installed in the parks to notify visitors and passers-by
Your Say Onkaparinga	Your Say page contained:

webpage	<ul style="list-style-type: none"> • Consultation dates • Project information • Aerial map • Criteria for naming a public place • Links to the Place Naming Policy • Tool to capture name suggestions • How to get in contact with us
---------	--

Seeking expert advice

At the conclusion of Stage 1 we wrote to Kurna Warra Karrpanthi (as per the Procedure) and to RSL SA to seek advice on the name suggestions. KWK provided feedback on the Aboriginal name suggestions and provided alternative names - Kadli Wirra and Manya Pilyapilya. RSL SA provided feedback on the name suggestions involving servicemen. The advice received was included in the report to Council on 17 August 2021 where 15 names were shortlisted.

Community engagement stage 2

In line with the Procedure we sought feedback on the shortlisted name suggestions via:

Technique	Stakeholders
Emails	All participants in the place naming process The applicant
Weekly news	Notification to all elected members
On-site signage	Corflute signs were installed in the parks to notify visitors and passers-by
Your Say Onkaparinga webpage	Your Say page contained: <ul style="list-style-type: none"> • Consultation dates • Project information • Aerial map • Criteria for naming a public place • Links to the Place Naming Policy • Tool to vote on name options • Sound files for Aboriginal name options • How to get in contact with us • News feed to share updates as the process progressed.

COMMUNITY ENGAGEMENT OUTCOMES

Letter Drop

Local residents residing within the orange letter drop area were made aware of the proposal to name the park and how to provide name suggestions. Contact details for the relevant officer were included in the letter in case residents had any questions.

Emails

Emails were sent to:

- Your Say Onkaparinga members living in Aldinga Beach
- community groups and organisations in the Community Group Register located in, or with an interest in Aldinga Beach

to let them know of the proposal to name the reserve and how to provide name suggestions.

Contact details for the relevant officer were included in the email in case the recipient had any questions.

Two emails were received providing name suggestions.

An email was also sent to the applicant to explain the process and how they could continue to participate.

Your Say Onkaparinga

Throughout the place naming process there have been 261 visits to the Your Say Onkaparinga page, with:

- 214 aware participants (viewed at least one page)
- 146 informed participants (downloaded a document/visited multiple pages/provided feedback)
- 69 engaged participants (suggested a name/voted/provided feedback).

Of the visits to Your Say:

- 10 people downloaded the aerial map
- 9 downloaded the criteria for naming a public place (an extract from the Place Naming Policy)
- 8 submitted name suggestions for the reserve (stage 1 engagement)
- 1 downloaded the 17 August Council report (deciding on the shortlisted names)
- 64 voted for their preferred name/s (stage 2 engagement)

Voting results

Of the 64 people that provided feedback via Your Say Onkaparinga, 127 place names were selected for the park (participants were able to nominate more than one preferred name).

One vote was received via letter, selecting one place name for the park on Greenlees Parade.

In total 65 people participated in voting, selecting 128 names. Of these responses:

Greenlees Parade (66 names selected)

- 30 indicated a preference for John Ackers Park (45%)
- 14 indicated a preference for Kadli Wirra (21%)
- 9 indicated a preference for Jeff Wrigley Park (14%)
- 6 indicated a preference for Cross Family Park (9%)
- 4 indicated a preference for Louis Mumford Park (6%)
- 2 indicated a preference for Kangaroo Park (3%)
- 1 indicated a preference for Dingo Park (2%)

Periwinkle Drive (62 names selected)

- 26 indicated a preference for Jim Jaggard Park (42%)
- 19 indicated a preference for Manya Pilyapilya (31%)
- 12 indicated a preference for William Crisp Park (19%)
- 3 indicated a preference for Eastern Froglet Park (5%)
- 1 indicated a preference for Periwinkle Shells Park (2%)
- 1 indicated a preference for Rain Moth Park (2%)

SUMMARY OF KEY FINDINGS

Sixty five people voted for their preferred name(s). For the park on Greenlees Parade 30 (45%) voted for John Ackers Park and 14 (21%) voted for the Kaurua name Kadli Wirra. For the park on Periwinkle Drive 26 (42%) voted for Jim Jaggard Park and 19 (31%) voted for the Kaurua name Manya Pilyapilya.

Place name suggestions

Application for the naming of public places (via EM Enquiry)

Name	Description/supporting information provided (verbatim)	Suitability
Badcoe Park & Cosgrove Park - (VC winner & ex-GG)	Aldinga Beach is fortunate to have an unnamed linear park/s starting at How Rd going west then bisected by Pridham Blvd. As a Vietnam veteran, I like to suggest that these parks be named to reflect Australia's involvement in that war.	This application triggered our place naming process. All of the names are appropriate.
Nui Dat Park & Vung Tau Park - (Unit locations of 1ATF & 1ALSG)	As the park is in effect two parks, a few suggestions: Badcoe Park & Cosgrove Park - (VC winner & ex-GG) Nui Dat Park & Vung Tau Park - (Unit locations of 1ATF & 1ALSG) Long Tan Park & Coral Park - (Battles) Any South Australian Diggers killed in action (preferred). Especially any Digger from the Fleurieu Peninsula.	We wrote to the RSL SA to seek input on these names. Their preference is to use the Mumford and Crisp options suggested by another resident, because they are more relevant to the local area.
Long Tan Park & Coral Park - (Battles)	It is also suggested that our involvement in later wars, (Iraq & Afghanistan) could be commemorated. Unfortunately I'm not as aware of details of these conflicts so cannot offer suggestions.	After discussing this with the applicant they were supportive of the RSL SA's position and agreed that we should proceed with the Mumford and Crisp options instead of their own suggestions.
Any South Australian Diggers killed in action (preferred)	I use these parks twice daily to exercise my greyhound along with many other locals. These parks should be named for whatever reason so they can be named as a point of reference. I would appreciate it if you could put this proposal before the council please.	

Suggestions via feedback form (in reply-paid envelope)

Name	Description/supporting information provided (verbatim)	Suitability
Eastern Froglet Park	I am a Citizen Scientist for Frog I.D. and I often record the frogs in conjunction with the Australian Museum in this Park. Their calls have been identified as Crinia Signifera or the Common Eastern Froglet. Thank you. I live in Bayside Avenue.	Name is appropriate.
General Peter	Peter Cosgrove Vietnam Veteran and past	Names are appropriate.

Cosgrove Private Reginald Inwood VC	Governor General of Australia Reg Inwood was born in Adelaide (1890), awarded VC 21 Sep 1917, died Adelaide 23 Oct 1971.	We wrote to RSL SA to seek input on these names. Their preference is to use the Mumford and Crisp options suggested by another resident, because they are more relevant to the local area.
Kurraka	The Kurna word for Magpie. I have lived by this park for over a decade and their songs wake me up every morning.	We have written to Kurna Warra Karrpanthi to seek feedback on this suggestion or (if not appropriate) to provide an alternative option for an Aboriginal name for the park.
Kangaroo Corridor	Many a morning I have spotted kangaroos finding refuge in these parks after getting lost while on their transitions.	Name is appropriate, but to meet the policy definitions we would replace 'Corridor' with 'Park'.
Leaping Lizard Park	My 8 year old daughter just likes the name. She has seen lizards over in the parks.	Name is appropriate.
Mumford Reserve	Both were killed in WWI and family members also fought in WWI.	Name is appropriate, but to meet the policy definitions we would replace 'Reserve' with 'Park'.
Norman Reserve		Name is appropriate, but to meet the policy definitions we would replace 'Reserve' with 'Park'. However it may cause confusion because the park is not located on Norman Road which is nearby.
Opal Park Dingo Park	Each of these are a natural and wonderful thing in Australia. The Dingo needs the Country to know it's a Wonderful animal. The OPAL is also a very special Gem. ALL need to Be Save.	Names are appropriate.
Periwinkle Shells Park	<i>No supporting information provided</i>	Name is appropriate.
Rain Moth (or indigenous equivalent)	When the season and weather conditions are right, the discarded pupal cases, left sticking out of the ground when the moths emerge, are a common (and strange looking) feature of this park. Alternatively the park could be named for its	Name is appropriate, but to meet the policy definitions we would add 'Park'. We have written to Kurna Warra Karrpanthi to seek feedback on this suggestion or (if not

	predominant species of frog.	appropriate) to provide an alternative option for an Aboriginal name for the park.
--	------------------------------	--

Suggestions from Your Say Onkaparinga

Name	Description/supporting information provided (verbatim)	Suitability
A local aboriginal name would be good, but not sure what. Ask the traditional owners	I am really against any park being named after a white man. There are far too many things in this state named after white men and we need to start being more inclusive and progressive. I will be very annoyed if the council decides to go with any name that comes from an older white man, whether dead or alive. Surely Onkaparinga is more progressive and inclusive than that.	We have written to Kurna Warra Karrpanthi to seek feedback on other Kurna name suggestions or (if they are not appropriate) to provide an alternative option for an Aboriginal name for the park.
Name it after something from nature	Not after a white man	
Perhaps an aboriginal name, or named after something from nature.	I am totally against any more public or private places being named after older white men - whether dead or alive. This has happened far too much in our state and it is time for the council to be more progressive and inclusive.	
Croser Family Reserve	<p>The former Croser Family Local Heritage listed farmhouse is adjacent to Greenlees Parade (situated on Barramundi Drive)</p> <p>Greenlees Parade and surrounds was part of the Croser family owned large land holdings.</p> <p>This family was know for its agricultural pursuits (cereal and hay cropping) in the early 20th century.</p> <p>The family annually in the late 70's to early 80's hosted a gymkhana for the horse enthusiasts in the district. This would also involve the Willunga and Districts Lions Club to assist in their fundraising.</p> <p>Fred Croser was a councillor with Willunga District Council in the early 1950's</p>	Name is appropriate, but to meet the policy definitions we would replace 'Reserve' with 'Park'. The Local History Officer (Libraries) has validated this name and confirmed the historical information provided by the resident.
John Ackers Reserve	Johns community involvement had a direct influence over the very design of the reserve seeking name suggestions.	Name is appropriate, but to meet the policy definitions we would replace 'Reserve' with 'Park'.

	<p>John was a longtime member of Friends of Aldinga Scrub serving many years as President and was also involved with Aldinga Residents Association for over 20 years</p> <p>John was a passionate and strong advocate for sustainable environment design principles used in future planning of open space areas in Aldinga such as the Greenless Reserve.</p> <p>John was specifically involved with advocating for multi use design principles while providing open usable space for community.</p> <p>Johns advocacy delivered better environmental outcomes for our community with more useable open space being delivered at this reserve than what was initially proposed</p> <p>John was selfless in his efforts to protect and enhance our natural environment, not just for ourselves but our future generations of people and our biodiversity.</p>	
Kevin Hutton Reserve	<p>Kevin gave so much to the local community. This is one small way for his name to live on in the area.</p> <p>Due to Kevin's involvement with the Aldinga Beach CFS Brigade as well as his many other community commitments.</p>	Name is appropriate, but to meet the policy definitions we would replace 'Reserve' with 'Park'. However, Kevin Hutton has already been recognised through a plaque installed at Snapper Point in recognition of his service to the community.
The Kevin Hutton Memorial Reserve	<p>Kevin was a community man who would do anything for his community. He was an active member of the local cfs for over 40 years as well as played a huge part in the Local Resident association advocating for all members of our community and ensuring that everyone was heard.</p>	A ceremony and unveiling was held on 6 June 2021.
Louis Rupert Mumford	<p>Louis was born at Aldinga in 1896 one of 8 children, he was raised on the family farm, and in 1914 when only 18 years old he was the first person from Aldinga to enlist in the army to serve in the first World War.</p> <p>He did return briefly to Aldinga on the 28th Sept. 1915 when the Aldinga Community gathered to give Private Mumford a send-off. Mr H. Bishop presented him with a safety razor and a wrist watch which was suitably inscribed and described him as a good sport who was always</p>	<p>Name is appropriate, but to meet the policy definitions we would add 'Park'.</p> <p>This name was checked with RSL SA and they are supportive of this place name option due to Mumford's connection to the local area.</p>

	<p>out to win and that he knew that he would do the same at the front and wished him god speed and a safe return. In Dec 1915 he departed on the troop ship Malwa headed for Europe.</p> <p>In Sept. 1917 Louis was shot in the forearm and consequently spent several months in Eastbourne Military Hospital recovering from his wounds. He returned to the front on the 6th Feb 1918 but after a brief period he was returned to hospital sick for a few days before being released to re-join his comrades in action on the 11th Feb 1918.</p> <p>Sadly on the 11th Aug 1918 Louis was killed in action, he was only 21 years old.</p> <p>From a very young age Louis gave up the security of his family and farm to serve as a soldier in countries far from home. Louis was wounded and suffered illness but bravely kept returning to his battalion to do his duty. Sadly Louis made the ultimate sacrifice on a battle field in France and was never to return home to Aldinga.</p> <p>Like so many others Louis received war medals, his name is recorded on the war memorial on South Rd. in front of Saint Ann's Anglican Church at Aldinga, and on a plaque in the Aust. War Memorial in Canberra.</p>	
William Glen Crisp	<p>William was born at Aldinga on the 23rd December 1897, he was the youngest son of John and Sarah Crisp and was educated at the Aldinga School, after finishing his schooling he worked locally as a blacksmith. He was described as a young man with a strong personality who was a keen gardener and was heavily involved in community projects including fund raising for the erection of a flagpole in the local area. He was held in high esteem by the local community.</p> <p>On the 13 Sept 1915 aged only 17 years old he enlisted in the A.I.F. to serve in the 1st World War, after his initial training at Morphetville Army barracks he briefly returned to Aldinga on the 13th Dec 1915 for a public farewell which was attended by a large gathering of friends</p>	<p>Name is appropriate, but to meet the policy definitions we would add 'Park'.</p> <p>This name was checked with RSL SA and they are supportive of this place name option due to Crisp's connection to the local area.</p>

	<p>and family.</p> <p>He departed on 7/2/1916 for Europe on board the Troop ship Miltiades and after a brief stopover at Suez for further training which included a brief stint in hospital convalescing following a bout of influenza. He joined the 32nd Battalion AIF and proceeded to Europe arriving at Marseilles France on the 1/4/16.</p> <p>William's first major action was at Fromelles on the 19th July 1916, having only entered the front line trenches 3 days previously. The 32nd was to make history for all the wrong reasons when a major attack was planned. The attack was a disastrous introduction to battle for William, and the 32nd Battalion who managed to penetrate the enemy position to a far greater extent than their comrades on either side which left them as 'sitting ducks' to machine gun fire behind enemy lines. Consequently the 32nd Battalion suffered casualties to nearly 90% of its actual fighting strength.</p> <p>Sadly on the 19th July William was killed in action, he was only 18 years old.</p> <p>From an extremely young age William gave up the security of his family and friends to serve as a soldier in countries far from home. William made the ultimate sacrifice on a battle field in France and was never to return home to Aldinga. It was a sad fact that when news of his death reached Aldinga as a sign of mourning the flag pole which William helped raise funds for was flying at half mast for the first time since its erection less than 12 months previously.</p> <p>Like so many others William received war medals, his name is recorded on the war memorial on South Rd. in front of Saint Ann's Anglican Church at Aldinga, and on a plaque in the Aust. War Memorial in Canberra</p>	
WRIGLEY or JEFF WRIGLEY PARK	Jeff (and my next suggestion Jim) have spent thousands of hours at the Aldinga Community Shed as Team Leaders, Trainers, Fund Raisers etc. and have done an excellent job.	Name is appropriate.
JAGGARD or	Please see my comments re Jeff Wrigley in	Name is appropriate.

JIM JAGGARD PARK	submission for Greenlees Pde. Periwinkle is a couple of streets from Jim's residence.

Nina Marni	<p>We would like to thank you for the opportunity to be involved in the naming of the two parks in the Aldinga Beach area.</p> <p>We have gotten together with the 3–5-year-olds in our Aldinga Beach Paisley park Early Learning and Kinder to come up with some names. The children and educators have researched our local area and kept to the guidelines of what you had requested. Once a few names were found the children then had a vote.</p> <p>please see attached in regard to what the children had voted on. This has been a pleasure to research on and not only the children, but the educators had learnt a bit also.</p> <ul style="list-style-type: none"> • Ngaltingga – meaning wide open in reference to the traditional lands of Kurna people • Tarntanya – was the area around Adelaide inhabited by the indigenous Kurna people • Nina Marni – meaning hello, are you well • Djinda (star) and Djiripin (Happy) – words are close to the names of nearby streets <p>Ngaltingga got 2 votes Tarntanya got 1 vote Nina Marni got 7 votes</p> <p>Regards, Paisley Park Early Learning Centres Kira Rechenbach Aldinga Beach Director</p>	<p>We have written to Kurna Warra Karrpanthi to seek feedback on this suggestion or (if not appropriate) to provide an alternative option for Aboriginal names for the parks.</p>
MUMFORD PARK	<p>Thank you for allowing me to submit a name for the park in aldinga. I submit one name to be for both parks. THE NAME IS MUMFORD PARK LOUIS RUPERT MUMFORD WAS THE FIRST PERSON FROM ALDINGA TO ENLIST IN THE ARMY FOR WORLD WAR ONE .HIS SERVICE NUMBER IS 3824 HE WAS KILLED IN ACTION</p>	<p>Name is appropriate, however it would be advantageous to have separate names for the two parks for the benefit of emergency services, general wayfinding, and also council's maintenance team. Based on feedback from RSL SA,</p>

IN FRANCE . HE WAS 21 YEARS OLD He was born in aldinga and went to aldinga public school and worked on the family farm in aldinga .Before he left the community had a send off party for him .It is reported on TROVE .He is buried in heath cemetery in france . grave v11 c 17 .i feel that this would be a great name for the park thus letting the people of aldinga honour him.

Mumford should be considered for one of the parks, and Crisp for the other. This is in line with a suggestion from another resident, and is supported by the applicant.

"As a ratepayer in Onkaparinga, we would value council planting street trees and creating and maintaining more open spaces for the public rather than wasting time and money on "naming" small reserve areas. I have requested street trees in Aldinga Beach, to be told the council cannot afford it."

"I cant understand why the name change with Cameron Road Park as residents looked after the the trees and litter, plus watering."
