HOW ARE OUR PARKS PLANNED?

Our Open Space Strategic Management Plan 2018-23 (OSSMP) guides the development of our parks and reserves. You can view the plan on Council's Your Say page under Documents.

This park has been identified by the OSSMP as a District Family Park, which is designed to provide a play area within easy walking distance.

There are a total of 240 playgrounds within the City of Onkaparinga and 18 of these are District Parks. There are also local, neighbourhood and regional parks.

Different types of open spaces are designed for different lengths of stays:

- Local – up to 1 hour
- Neighbourhood – 1-2 hours
- District – 2-4 hours
- Regional – full day

Our open space network can be viewed [here](#) and

is an interactive map to show each park and reserve and their category as determined by the OSSMP.

WILL LIGHTING BE INCLUDED?

There will be solar lighting installed along the asphalt path.
