

Site Amenity Works

Landscaping and paving works are proposed around the new and renewed sports and recreation facilities.

These works will be undertaken once the changeroom project is complete (anticipated July 2021).

1. Existing trees retained
2. Proposed oak trees to provide future shade canopy for senior playground
3. Proposed irrigated turf area for sport warm ups, play & spectators
4. Proposed low native planting around junior playground
5. Proposed paving incorporating new link from the changeroom entrance to the oval perimeter track
6. Low maintenance gravel/rubble surface adjacent changeroom
7. Proposed new paved pathway to existing Sports Ground pedestrian entrance at York Drive

Sport and Recreation Facility Works

- A. Proposed unisex modular changeroom facility
- B. Upgraded senior playground
- C. Upgraded junior playground
- D. Renewed fully enclosed cricket practice nets
